CHANGES TO THE PAPERS AND PROCEEDINGS

THRA plans to publish two issues of Papers and Proceedings in 2014 to contain production and distribution costs, but will aim to keep the same number of papers by increasing the size of each issue. We are also sorry to announce that Heather Felton has stepped down as editor of P&P. The Committee would like to thank Heather for the vast amount of work she put into making the P&P a must read. We are fortunate that Alison Alexander has agreed to take over from Heather and we are confident that the P&P will maintain high standards with Alison at the helm. If you have a paper suitable for publication in P&P, please forward to Alison by the usual channels.

For details of excursions in April and May, please see over the page.
